

Birthday Book Club

The more that you read, the more things you will know. The more you learn, the more places you'll go."
– Dr. Seuss, *I Can Read With My Eyes Shut!*

The Birthday Book Club is a great way to honor your child's birthday. This is done by donating a book to the Loring Library in your child's name. Your child will choose a book from a pre-selected inventory of new library books. When purchased, it will become part of the library collection. A Birthday Book Club nameplate will be placed in the book, with your child's name on it, and the book will be presented to your child during his or her weekly library class. Your child's photo will be taken with the book and added to the Birthday Book Club photo wall in the library. Your child will be the first person to check out the book and bring it home!

To participate, send in your \$15 donation (cash or a check made out to the Loring PTO) along with this form and have your child chose a book during his/her library period with the help of the librarian. If you prefer, you may stop in to the library with your child to shop the inventory of pre-selected books.
